

1. Shut off power before installation.
2. Fix the mounting strap to ceiling.
3. Insert the main wire through the connecting bar.
4. Connect the metal frame and the canopy with the connecting bar.
5. Connect the wires with wire nuts to the corresponding wires in ceiling.
6. Attach the canopy to the mounting strap and fix with the screws.
7. Hang the hemp ropes on the hooks of the canopy and the metal frame.
8. Screw in light bulbs (not included with the light fixture) and turn on the power.
